BACKGROUND AND REFERENCES

Following Washington discussions during the summer of 1952 which were attended by representatives of the Swiss Bankers' Association, the Swiss Legation, and members of the State and Treasury departments, the Association issued on 29 August 1952 a circular instruction to member banks concerning financing of strategic exports to Communist China, and to the Soviet bloc generally. This Association instruction was transmitted to Mr. Hansen by Mr. Elting Arnold, Acting Director, Foreign Assets Control on 26 May 1953. The Working Group on 3 June discussed ED/EC D-17, 2 June 1953, requesting that IWG survey existing information on the subject.

SPECIFIC INFORMATION AND/OR ACTION DESIRED

Information "regarding suspect east-west shipments financed through Swiss banks in violation of the terms of the instruction of August 29" is desired.
